

## **pax christi – Deutsche Sektion**

### **Congratulations**

- Dear José Henriquez,

on behalf of the german section of pax christi I would like to welcome you as our new international general secretary. It is a great step for the whole pax christi movement after months of vacancy to have again a general secretary willing to take this responsibility. It is the great hope for justice and peace that brings us together and that creates support for one another. We wish you a good beginning in the Brussels office. We are looking forward to possibilities to personally get to know you and to introduce you to members of the german section f. ex. at the AGM meeting scheduled in Berlin in spring 2013 or earlier.

Blessings and Solidarity
